Owen Clifford  
Community Services Manager  
Lewes District Council  
Southover House  
Southover Road  
Lewes  
BN7 1AB

Dear Owen

Thank you for your very prompt response to my previous letter and for removing the trolleys in Pinwell Lane. I appreciate your assurance that in future Lewes District Council intends to take the problems of shopping trolleys, fly tipping and general debris build up in our river seriously.

I am particularly pleased to hear that from 1st December 2009 LDC will be enforcing the existing legislation and imposing fixed penalties on those retailers that allow trolleys to be removed from their premises.

I note that soon you intend to meet with the Lewes store managers. In his letter to me of 22/10/09 John Crawford suggested I might like to attend this meeting. I would be most happy to. Please advise me of the details. Do you know if a representative from Homebase will also be invited to attend?

Many thanks,

Mike Deacon
